From Friend Morgan Siem, founder of [Benzai Bloomstead](#) and co-founder of [Soil & Sky Fest](#), which she notes will take place on **Sept. 21** at her place, only 5 minutes from the Meeting House.

Soil & Sky Fest is an annual music festival, rooted on 32 acres in Alamance County, NC. The festival is headlined by *The Collection*, and is organized around three points of focus: mental wellness, earth care & community connection. We're excited to offer a full day of live music as well as extras like a bird walk, a talk on natural burial, a session with a neuropsychologist on the intersection of music and mental health, songwriting sessions, and so much more.

More info & tickets can be found here: <https://www.soilskyfest.com/>

Opportunities related to the festival include: volunteer opportunities, vendor booth opportunities, nonprofit booth opportunities and a few paid roles we're trying to fill (parking lead, ticketing lead)

It's going to be a wonderful event, and I hope to see many Friends there!
